SUBJECT:

DOCKET NO. 2005-191-E - Generic Proceeding to Explore a Formal Request for Proposal for Utilities That are Considering Alternatives for Adding Generating Capacity – Discuss with the Commission South Carolina Electric and Gas Company's Petition for Rehearing and Reconsideration of Order No. 2007-626 Filed by Belton T. Zeigler, Esquire.

COMMISSION ACTION:

The Commission's Order No. 2007-626 generally requires that electric utilities will issue Requests for Proposes (RFPs) when seeking new peaking generation and provides some very general guidelines for the RFP process. The Commission will hold a workshop to discuss how to implement Order No. 2007-626. At this workshop, all parties may present proposals addressing their issues and concerns with the RFP process. Such proposals could include procedures that provide for flexibility and exemption from RFP requirements when appropriate. Therefore, I move that we deny South Carolina Electric & Gas Company's Petition for Rehearing and Reconsideration of Commission Order No. 2007-626.
